Naša kuhinja Our kitchen

Sva jela pravimo sami, u našoj kuhinji, od prirodnih, lokalno nabavljenih namirnica. Neka jela su u ponudi samo u sezoni, kad su namirnice najbolje. Svinjetinu pripremamo i kuhamo odvojeno od svega ostalog, za goste koji ne jedu svinjetinu.

Every dish is homemade in our own kitchen, from natural, locally sourced ingredients. Some dishes are only on in season, when the ingredients are at their best. Pork is prepared and cooked separately from everything else, for guests who don't eat pork.
